## Workshop “In the search of an efficient EU gas market model”

Representative Office of PJSC Gazprom in Belgium invites you to the workshop "**In the search of an efficient EU gas market model**" on Tuesday, 30th May, 2017.

The workshop is held under the supervision of the Co-chairs of Work Stream 2 - "Internal Market" of the Russia-EU Gas Advisory Council (WS2 GAC).

We have an update for you: **Alexander Medvedev** - Deputy Chairman of the Management Committee of PJSC Gazprom is expected to take part in the workshop.

The workshop will be hosted by Prof., Dr. (Econ.) **Andrey Konoplyanik** (Co-chair WS2 GAC; Adviser to Director General, Gazprom export LLC; Professor on International Oil & Gas Business, Russian State Gubkin Oil and Gas University).

The keynote speaker is Dr. **Sergey Komlev** (Head of Department on contract structuring and price formation, Gazprom export LLC) who will discuss the following questions:

- Has natural gas become an independent commodity on European gas hubs whose price is driven only by fundamentals of its own market?
- What makes European gas hub prices dependent on oil indexes?
- Are long-term supply contracts with flexibility compatible with hub prices?

The presentation will be followed by a discussion panel of industry experts including **Walter Boltz** (Senior Advisor European Energy Policy, Co-chair WS2 GAC, Member of the ACER Board of Appeal, Former Vice-Chair ACER Board of Regulators and Chair of the ACER Gas Working Group) and **Ralf Dickel** (Visiting research Fellow, Oxford Institute for Energy Studies, Member of WS2 GAC).

We welcome active engagement of all participants in the debate.

The workshop will take place from 10:30 to 14:00  
(welcome coffee will be served from 10.00),  
and will be followed by a networking lunch.

Please, **register** for the event by **25th May**, completing the form [HERE](#)

The registered participants will be able to get a free PDF copy of the new book by Dr. Sergey Komlev "Oil Indexation: The Best Remedy for Market Failure in the Natural Gas Industry" prior to the workshop.

You will receive a confirmation of registration with agenda and logistical details prior to the event.
